INSTRUCTIONS

1. Print out in colour on A4 card, heavyweight copy paper or photo paper, ensuring colour settings and sizes are correct for your printer.
2. Fold along the three full-width dotted lines to form a triangle, with the images on the outside and crease the folds well.
3. Cut along the solid lines, right, to form the T-shaped tab at the edge of the sheet, and cut along the line on the opposite flap (3) with a knife to form a slot; take care not to cut wider than marked.
4. Fold the two tabs (4) towards each other, bend the main tab up a little at the hinge, then push the whole through the slot on the opposite bottom flap and open out small tabs again. Secure folded-out tabs with sticky tape to other bottom flap if necessary.
